Medicare Supplemental Insurance Seminars
Presented by Salt Lake County Aging and Adult Services
Learn how to compare coverage options using Medigap resources from the County Library. Build a customized report and make informed decisions with free benefits counseling provided by the Senior Health Insurance Information Program (SHIP).
SHIP is a federally funded program and is not affiliated with the insurance industry. This program is made possible in part by a federal grant funded by the Library Services and Technology Act and is administered by the Utah State Library and the Institute of Library and Museum Services and in partnership with Salt Lake County Aging and Adult Services and the County Library.
