

Valentine Lollipop Flower

Materials:

Small round lollipop
Pink or Red and Green
construction paper
Scissors
Glue

Directions:

- 1) Cut out a heart from the red or pink construction paper.
- 2) Glue the lollipop onto the center of the heart.
- 3) Fold the green paper in half and cut out a leaf shape, leaving the fold uncut (figure 1).
- 4) Unfold the double leaf shape, coat the entire inside surface with glue, and fold it back over the lollipop stem, pressing to secure (figure 2).
- 5) Give to someone special!
