

Pencil Door Hanger

Supplies:

4 large craft sticks (ideally colored – or you could paint or color the sticks)
Craft foam or card stock in light brown or pink, black and any other color
Tape (double sided works best) or glue
Sticky letters (or markers)
Ribbon

Instructions:

Lay the 4 craft sticks side by side. Using the width of the sticks as your guide cut a triangle from light brown or pink foam or card stock, and a rectangle from another color for the eraser.

Use tape or glue to attach the triangle to one end of the sticks and rectangle to the other. Turn to the front and you will see a pencil shape.

Cut a tiny triangle of black foam and stick to the top of the larger triangle as the tip of the pencil.

Tape or glue a loop of ribbon to the back.

Add a message with sticky letters such as “Doing My Homework” or “Quiet – Reading.”

Hang on your door!
