QUESTS AND ADVENTURES | Rapunzel

Climbing Rapunzel

Supplies:
Rapunzel
Coloring Supplies
Tape
Straw
String/Twine
2 beads (optional)

Cut out and decorate Rapunzel. Cut two pieces of straw (about 1-1.5 inches). Tape to the back of Rapunzel. Run about 4 ft. of string/twine through the straw and tie a bead or large knot at the end to keep the string from falling through the straws. Hang your climbing Rapunzel to a door knob and pull strings to move up and down.

Discovery Walk

In the original fairy tale, Rapunzel's mother eats and craves the rampion plant. How do you know what is safe or dangerous to eat in nature? Try to identify which plants would be safe or what plants you should avoid. But don't eat anything without your parent's permission!

Parents: This is a great opportunity to learn with your kids!

Challenge

What is the tallest tower you can build? Try different materials: blocks, legos, toilet paper rolls, boxes, whatever you can find.

Bonus Challenge: What's the tallest tower you can build that will support your stack of library books?
