QUESTS AND ADVENTURES | Thumbelina

The Meaning of Flowers

Flowers have different meanings. People used to send messages using flowers. What do these plants mean? <https://tinyurl.com/y8wdzq9m>

| | |
|--------------------|--|
| Forget me not | |
| Daffodil | |
| Lemon | |
| Lavender | |
| Sweet Basil | |
| Lettuce | |
| Wormwood | |
| Lily of the Valley | |
| Magnolia | |

Discovery Walk

There are so many colorful flowers. Go for a walk around your neighborhood or local park. How many different flowers do you see? What are their names? Do not pick any flowers. Look but don't touch. It's important to be a good neighbor.

STEM Activity

Learn about chromatography--the process for separating components of a mixture. Make chromatography flowers.

You will need:

- White coffee filters
- Water based markers
- Cups with water
- Scissors
- Clear tape
- Small sticks or twigs
