## Flipster App Visual Guide

The screenshot shows the 'My Shelf' screen in the Flipster app. At the top, there is a blue header with a menu icon (three horizontal lines) and the text 'My Shelf'. Below the header, there is a grid of magazine covers. Each cover includes a title, a 'left' indicator (e.g., '2 days left', '1 week left'), a 'NEW' badge, and a date (e.g., 'Jan 8, 2018', 'Feb 2018'). A trash can icon is present in the bottom right corner of each cover. At the bottom of the screen, there is a navigation bar with three icons: a magnifying glass labeled 'Explore', a bookshelf labeled 'My Shelf', and an open book labeled 'Read'. Callout boxes with blue borders and lines pointing to specific elements provide instructions: 'Use the menu icon to change the sorting order or search by category.' (points to the menu icon), 'Date of issue's publication.' (points to the date 'Jan 8, 2018'), 'How much of the issue you've read.' (points to the '37%' progress indicator), 'Delete issue.' (points to the trash can icon), 'Find more magazines to download.' (points to the 'Explore' icon), 'View your downloaded issues.' (points to the 'My Shelf' icon), and 'Continue reading the last issue opened.' (points to the 'Read' icon). A separate callout box on the right explains the 'left' indicator: 'The length of time left in the checkout. If there is no info, the title doesn't expire. Expired issues can be downloaded again.'
